

# JIF FLOOD ALERT SYSTEM

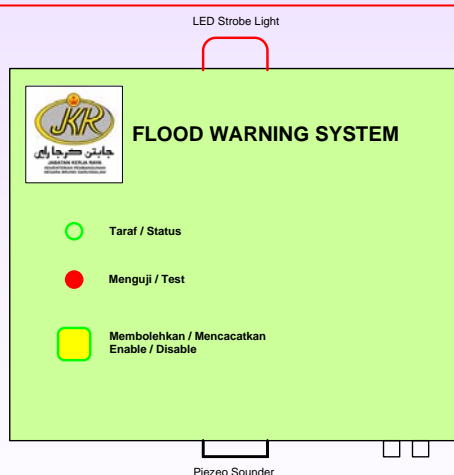

## LOCAL FLOOD WARNING ALERT

The JIF Flood Alert System (FAS) has been designed and manufactured locally to alert Kampong Ketua or security staff (i.e. factory) of possible conditions of flooding.

This cost effective solution uses a simple but reliable magnetic float switch hard wired to a local alert panel. The probe is designed to be mounted in culverts / drains and other areas of possible flooding.

### Features:

- ✓ Enable / Disable switch
- ✓ Test push button switch
- ✓ Status OK LED
- ✓ Piezo audible alarm and strobe alert
- ✓ Fail safe cable loop
- ✓ Low consumption mains power supply and rechargeable battery backup
- ✓ Easy to clean / test sensor head
- ✓ Comes complete with mounting brackets

Indicator Panel

Probe
